THE CONFLICT OF LOVE AND FAT.

The average man will "jolly" with the stout girl; but he steals glances over her shoulder at that Miss Slender. He would sooner hold the hand of the latter in a fatuous silence than really enjoy himself with the other. Such is the power of line. Just a line—from chin to toe, or nape to heel—that's all. But it rings the merry marriage bell.

Fat women should not repine—but refine—their own lines by means of that phenomenal—the Marmola Tablet. No exercising or dieting is necessary. Simply take one tablet after each meal and at bedtime, and in a little while the surplus of fat—the coarseness of aspect—will disappear. The figure will become slight enough to permit of a maidenly contour, a pure outline, being fashioned with cool and gown. Then victory—if not revenge.

Although Marmola Tablets often take off uniformly a pound of flabby fat a day, they are quite harmless (being made of the famous fashionable prescription: 1/2 oz. Marmola, 1/2 oz. P. E. Cascara Aromatic, 3/4 oz. Peppermint Water). Consequently, even timid ones are safe in using them, for no ill—not even a wrinkle or stomach ache—will follow their use; seventy-five cents secures a large case at any drug-gist or by mail from the Marmola Co., 737 Farmer Bldg., Detroit, Mich.

DEATHS AND BURIALS.

FATHER OF MRS. DAN STEDHAM.

Mrs. Dan Stedham received a telegram yesterday afternoon announcing the death of her father, T. B. Stedham, aged 72, at his home in Waring, Tex., and she left last night for that place to attend the funeral. Deceased was a confederate veteran and was born in Memphis, Tenn. Besides the daughter, Mrs. Stedham, deceased also leaves a son, Bertus, in this city, who works at the Sheldon, where Mr. Stedham is the engineer. The family lives at 1400 East Third street in this city.

MAYOR SAYS GO AFTER OWNERS OF PROPERTY WHO FAIL TO LAY SIDEWALKS

Suggests Getting the Rich Ones First—Council Agrees to Buy Automobile Fire Engine and Thanks Women of Charity Association For Their Work—Dog Catching Season Soon to Open; Also the Cussing Season.

"Go after everyone irrespective of who he may be in filing complaints against property owners who fail to put down sidewalks, but we would much prefer that the simple old men who have money and are able to fight the cases."

These were the instructions which Mayor Sweeney gave assistant city attorney Volney M. Brown in the city council chamber this morning, when a petition was presented by Rio Grande street owners asking for sidewalks.

The mayor's manner was no more decisive when he gave these instructions than it was a few minutes later when he said: "The time is again fast approaching when we will have to get after 'Fido' and be cussed out by his owner."

This latter remark was made after the reading of a communication from the city council chamber this morning, when a petition was presented by Rio Grande street owners asking for sidewalks.

Just prior to the closing of the session, the mayor, stating that he did not blame the women of the Associated Charities for abandoning the work of looking after the city poor, suggested that they should be given a vote of thanks for the work they had done and, upon motion of alderman Blumenthal, such action was taken.

The mayor explained that the city could give no more than the \$65 per month which had been given to this society, but said if there was any other society which would like to take up the work on the same basis, the council would entertain a proposition.

The city's health officer, W. H. Anderson's report for the week showed a total of 30 deaths: 10 being Americans, 13 Mexicans, 1 Belgian, 1 Irish, 1 Swede, 1 English, 3 negroes. The contagious diseases existing at the present time are reported as follows: measles, 15; chickenpox, 5; diphtheria, 2; smallpox, 1; typhoid fever, 2; measles, 23; 93 patients were treated at the dispensary and 26 at their homes. Inspections were made of 327 meat markets, 130 dairies, 23 slaughterhouses, 23 restaurants, 132 premises, 28 fruit and vegetable stores, 233 cattle, 8 hogs, 41 sheep. Seventy-two pounds of meat and 137 pounds of fruit and vegetables were condemned and destroyed. Twenty-eight fumigations were made.

Sewer Work. The weekly report of the sewer commissioner showed 100 feet of 8 inch pipe laid on Montana and Lee streets, 22 feet of 6 inch pipe on Lee street, 23 feet of 8 inch pipe on Lee street, 23 feet of 8 inch pipe on Lee street, 23 feet of 8 inch pipe on Lee street.

City auditor D. Booth reported \$75.80 collected from Mrs. Marion for blasting work done by the street and alley grading department. The rock was blasted out on Arizona street between 2nd and 3rd streets.

A. T. Samworth, city electrician, reported collections for the months of October, November and December, 1909, amounting to \$290.50.

Petitions. H. W. Cole petitioned the council to have the 50 foot sign on Bliss street in block 126, East El Paso, removed. He said that it extended over the sidewalk and obstructed the view from his home. This was referred to the police committee.

The Salvation Army's request for permission to use the band stand in San Jacinto plaza Sunday afternoon, February 13, was referred to the street and grade committee.

Want Curbing Put Down. A petition was presented by O. C. Coles, S. T. Turner, B. M. Wortham, W. L. Gaines and Joshua S. Raynolds asking that a curbing be constructed along the sidewalks of the city streets, to protect their property from heavy water coming from the mesa during rainy seasons. This was referred to the city attorney. Mr. O'Neill is to be instructed to appear and make complaint.

Carriage For Todd. City engineer F. H. Todd reported a petition from Lee street property owners regarding the establishment of a grade and the widening of the street, to the fact that he has crews in East El Paso, old Fort Bliss and Highland Park. He needed some conveyance. Mayor Sweeney said it would be a matter of economy to provide him with a horse and buggy. On the motion of alderman Clayton, the matter was referred to alderman Robinson with power to act.

King Worley, Arthur Fullan and others asked for a license extension to the mesa and this was granted on condition that they grade the alley.

Spitting Must Stop. Alderman Blumenthal, reporting on the complaint of the city league, regarding spitting in public places, said he had notified the police to enforce this ordinance.

They further asked for street lights at all crossings where the street cars pass but this is impossible at this time as it would mean about \$34,000 a year expense.

Street Signs. Alderman Robinson went to Juarez to bring over the five deer presented to the city by J. L. Vrain, so mayor Sweeney referred a petition from J. E. Gillett asking for grading in Highland Park to the city engineer.

In regard to placing street signs in the free delivery post district, Robinson recommended that the matter be referred to the city engineer to determine the number of signs required.

Robinson recommended that the petition of the West Texas Fuel company for a spur track be granted and this was done.

The petition of the J. D. Hughes Printing company for a temporary sidewalk was held up pending the investigation of a plan to build a storm sewer there.

O. D. Gibbs complained that his property on Hill street had been appraised too high. The petition for a reduction was denied.

Hewitt, referring to Caples's petition, recommended that the action filed against him relative to fire escapes on his new building be rescinded.

To Buy Auto Engine. The fire commissioners stated that

the whistle is out of order and asked that it be repaired. This recommendation was approved.

Mayor Sweeney said that manager Harry Potter, of the electric railway company, had agreed to put in an automatic switch to turn off the power on all street car lines when a fire alarm is sounded.

Mr. Hewitt further recommended that the mayor be instructed to purchase a combination automobile fire engine for central station and this was approved, the mayor to advertise for bids.

"Get After Fido." The board of health asked for the muzzling of all dogs in the city.

The mayor said: "The time is fast approaching when the city council will have to get after 'Fido' and get cussed out by his owner. The communication will be placed on file."

Must Build Sidewalks. Referring to sidewalks, the mayor, addressing assistant city attorney Brown said:

"I think it would be a good thing if a few backs were broken. Get after these people and show no mercy. We do not care who the man is but prefer that you pick out some one on each street who has money to fight the case."

An acceptance of the paving of North Stanton street from Rio Grande to Main street was presented by the city attorney and the ordinance accepting this was placed on its first reading.

The Blumenthal company presented a bid for the paving of South Stanton street from Second street to Eighth street, which was accepted.

Vital Statistics. An ordinance requiring the registry of all births with the city health department under penalty of a fine from \$5 to \$100 for failure to comply, was placed on its first reading.

This also provides a similar fine for failure by undertakers to secure burial permits before interring bodies or shipping a body without a permit. Any person or other person in control of a cemetery permitting the interment of a body without a permit shall be subject to a similar fine.

This ordinance follows the passage of a motion by the state legislature requiring the registry of births and deaths with city health officers instead of the county clerk.

Charity Work. Mayor Sweeney then read a communication from the Women's Associated Charities, stating that they will have to decline to care for the city's charity work as they do not receive sufficient support from the city.

Further, they said the county had refused the amount expended on emergency cases during the cold spell in November and December, 1909. The amount due from the city for this work is \$262.56.

Mayor Sweeney said: "I was informed by Mrs. Turner that the women contemplated this action and, while I regret it, I do not blame them. The city could not give any more than \$65 a month. In the future the city will have to do that through the mayor's office. We could not place the money in the hands of any commission. I think it proper to extend the women a vote of thanks."

On motion of alderman Blumenthal, this was done.

STATE CLOSES CARPENTER CASE (Continued from Page One.)

morning, Carpenter said he had come to get those cattle. Simpson said he couldn't have them. Carpenter said he'd get them if they were there.

"Then Carpenter started toward the gate to the horse corral, going from the house. After Carpenter had gone a few feet, Simpson started over the fence and pulled his gun on him. Carpenter had his back turned.

"Simpson threw his gun down on the ground, though he had it in his hand, while he was walking about 10 feet. When Carpenter saw him he jerked his gun and told him three times to drop his gun. I left to go get my horse and follow Carpenter into the pasture.

The Shooting. "After he told Simpson three times to drop his gun he shot; after the second shot his horse turned to run. Simpson had his gun on him.

"When I went after my horse Snellgrove walked over to his horse at the end of the line of troughs. There were three shots fired that I heard. Simpson was facing Carpenter and had a

EL PASO BANKERS PLAN TO RECEIVE STATE BANKERS

State Association To Be Here for Two Days, in May—Local Committees Are Named.

Between 600 and 700 of the men who handle the money of the state will be in El Paso May 10 and 11, at the annual meeting of the Texas Bankers' association. Already local bankers are arranging for the convention.

Bankers of El Paso met at the chamber of commerce Wednesday afternoon. C. R. Morehead, president, and H. E. Christie were secretary of the meeting. Committees were appointed as follows: Finance and executive, T. M. Wingo, J. E. Williams, W. Cooley; program, invitation and entertainment, J. M. Wyatt, O. E. Arnold, W. L. Tooley, Max Weber, O. T. White, J. G. McNary; transportation, E. W. Kayser, J. D. Campbell.

The Beautiful Hair of English Women

(Annie Bly in N. Y. Graphic.)

The long, abundant and glossy tresses of English women are not due to hair-tonics and heroic shampooing. There is a general belief over there that the less water put on the hair, the better it is; they say wetting "takes the life out" and leaves the hair dull, brittle and colorless.

English women with hair rich in color, clean and wholesome—and plenty of it—have told me they attribute it to dry shampooing two or three times a week. They mix four ounces of theriac with four ounces oforris root and sprinkle a tablespoonful of this mixture on the head; then brush the powder thoroughly through the hair. They thus also avoid the danger of catching cold and the discomfort that accompanies washing, rinsing and drying the hair.

This treatment keeps the hair light, fluffy and lustrous, and is the only thing I know that will actually produce the growth of hair.

SPOILED A GOOD MEAL WITH A BAD STOMACH

Mi-o-na Stomach Tablets Will Turn a Bad Stomach into a Good One in 5 Minutes.

Why will people go on suffering from indigestion and tappy turvy stomach, when Mi-o-na is guaranteed to cure or money back.

Ask Kelly & Pollard. If a physician, a specialist in stomach diseases come to you and said: "Put up with that miserable worn out stomach for you or money back."

I'll make it as good as new, so that you won't suffer from any distress and can eat what you want without fear of suffering, or money back. I'll cure you of indigestion, or money back."

Would you turn down his offer?

And when you are offered Mi-o-na stomach tablets made from a prescription better than 90 percent of the stomach specialists know how to write, are you going to be narrow minded and continue to suffer from indigestion, or are you going to be fair to yourself and try Mi-o-na on the money back agreement?

Ask Kelly & Pollard. Mi-o-na stomach tablets will put your stomach in such fine shape that all danger of dizziness, nervousness, sick headache and stomach distress will vanish.

And just think of the small price for which Mi-o-na stomach tablets are sold; only 50 cents for a large box at druggists everywhere and at Kelly & Pollard's, who guarantee them. Mail orders filled, charges prepaid by Booth's Mi-o-na, Buffalo, N. Y.
